Sophomore Football Coaches: Head Coach Holdsberg, Coach Hopkins, and Coach Johnson.

The first game of the year for the "Little Rockets" was a real standout. As strong Morton fell 21 to 7, a wave of hopeful excitement swept over everyone. Unfortunately, this type of success did not steadily continue for the Sophomores. Racking up 350 yards, as the top runner on the team was Terry Kerestes. Dave Schlott came in second with 330 yards. Skillful backfield work was shown by quarterback Pat Croker and fullback Tom King. The "Little Rockets" were solid in their defensive lines with Phil Nunez and Dean Adams.

Coaches for the Gold squad are: Coach Dudley, and Coach Ball; For the Green squad: Coach Nordquist and head coach Don Korte.

Student Council

Hear! ye Hear ye! Come to the Town Meeting!

Constantly "on the move" the Student Council of Rich East worked hard to present to our school a well organized student government striving to attain high goals of achievement for the 1965-66 school year.

A variety of activities were introduced to Rich, this year, by S.C.O.R.E. Beginning in October, Student Council organized the annual Homecoming activities which boasted a fantastic amount of support and participation by the students and teachers alike. Following this, another major event of the Rich East calendar was planned by S.C.O.R.E. The fun filled and exciting Spring Carnival, which profed profitable to all groups and clubs who contributed to make the big day a success.

Behind the scenes Student Council members were also delagates to the district and state Council conventions;participated in the Conference Sportsmanship Committee, and acted as a laison between students and the administration the entire year.

Seated: B. Leonhadrt, Sec.; A. Hier, Pres.; T. Parrish, V. P. *Standing:* C. Strutin, Corr. Sec.; N. Litman, Treas.

Principal's Message to Students:

The tasks of every generation increase as time marches on. Teenagers of today will have not only the mistakes of their older generation to overcome, but they must also deal creatively with the problems of the explosion of knowledge, increased crowded living conditions, world hunger, and the relative closeness of world neighbors which brings closer to home the problem of tensions between nations. These are problems of which you are already aware, so the important question today is – What are *you* doing to prepare yourselves for this?

It is difficult to conceive that the citizenry of the United States can help solve the problems of the world without individually being at peace with themselves. This is done only through making decisions as to what your life will be and the goals to which your life is dedicated. There is a religious radio program that comes on the air saying, "This is the Hour of Decision." Whether we agree with the message of the program or not, there is truth to the idea that we are in a time of important decisions. To continue through high school without some efforts to make wise choices in life is similar to wandering without direction in a thick forest.

It is not an easy task to make decisions. We are all guilty of procrastination; but sooner or later you must choose the principles by which your life will be governed, your attitude to your fellow man, today's role in teen-age society, and tomorrow's role in adult society. It's your decision!

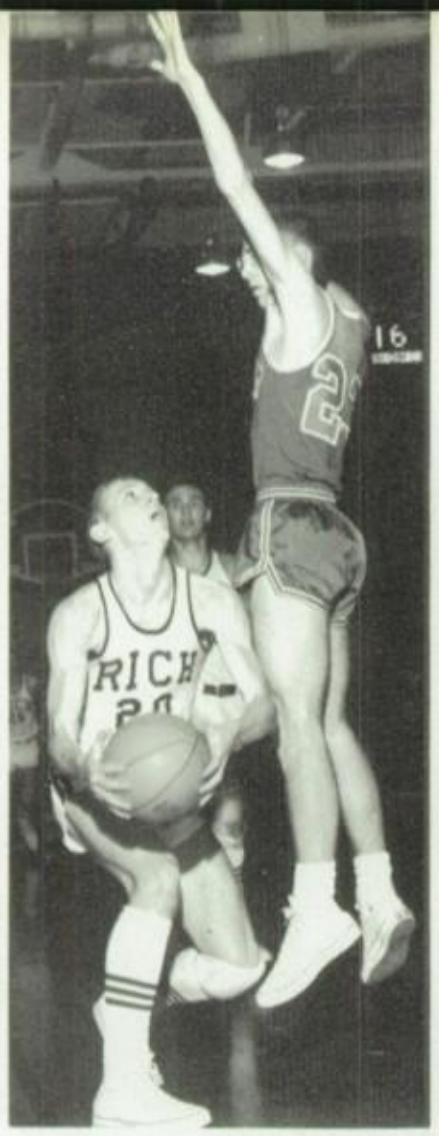
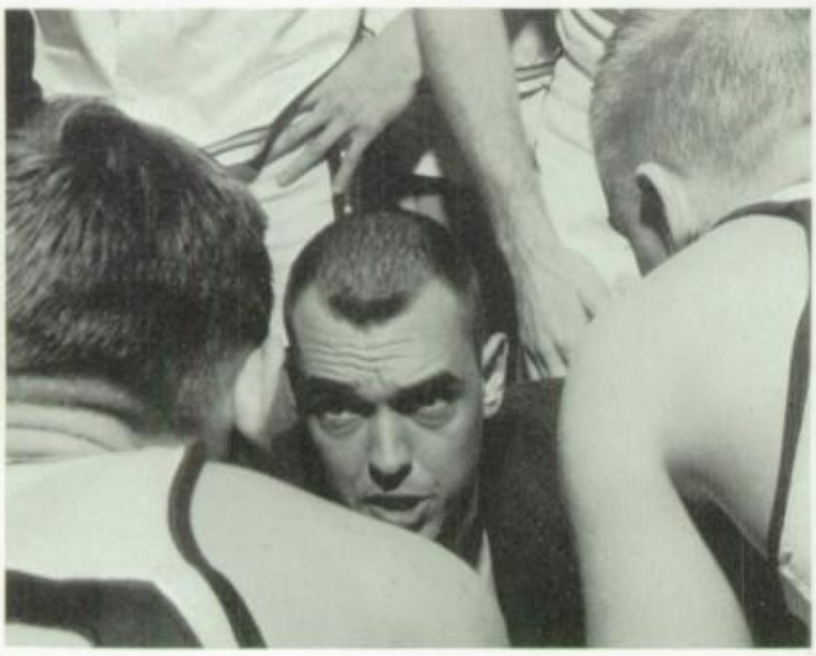
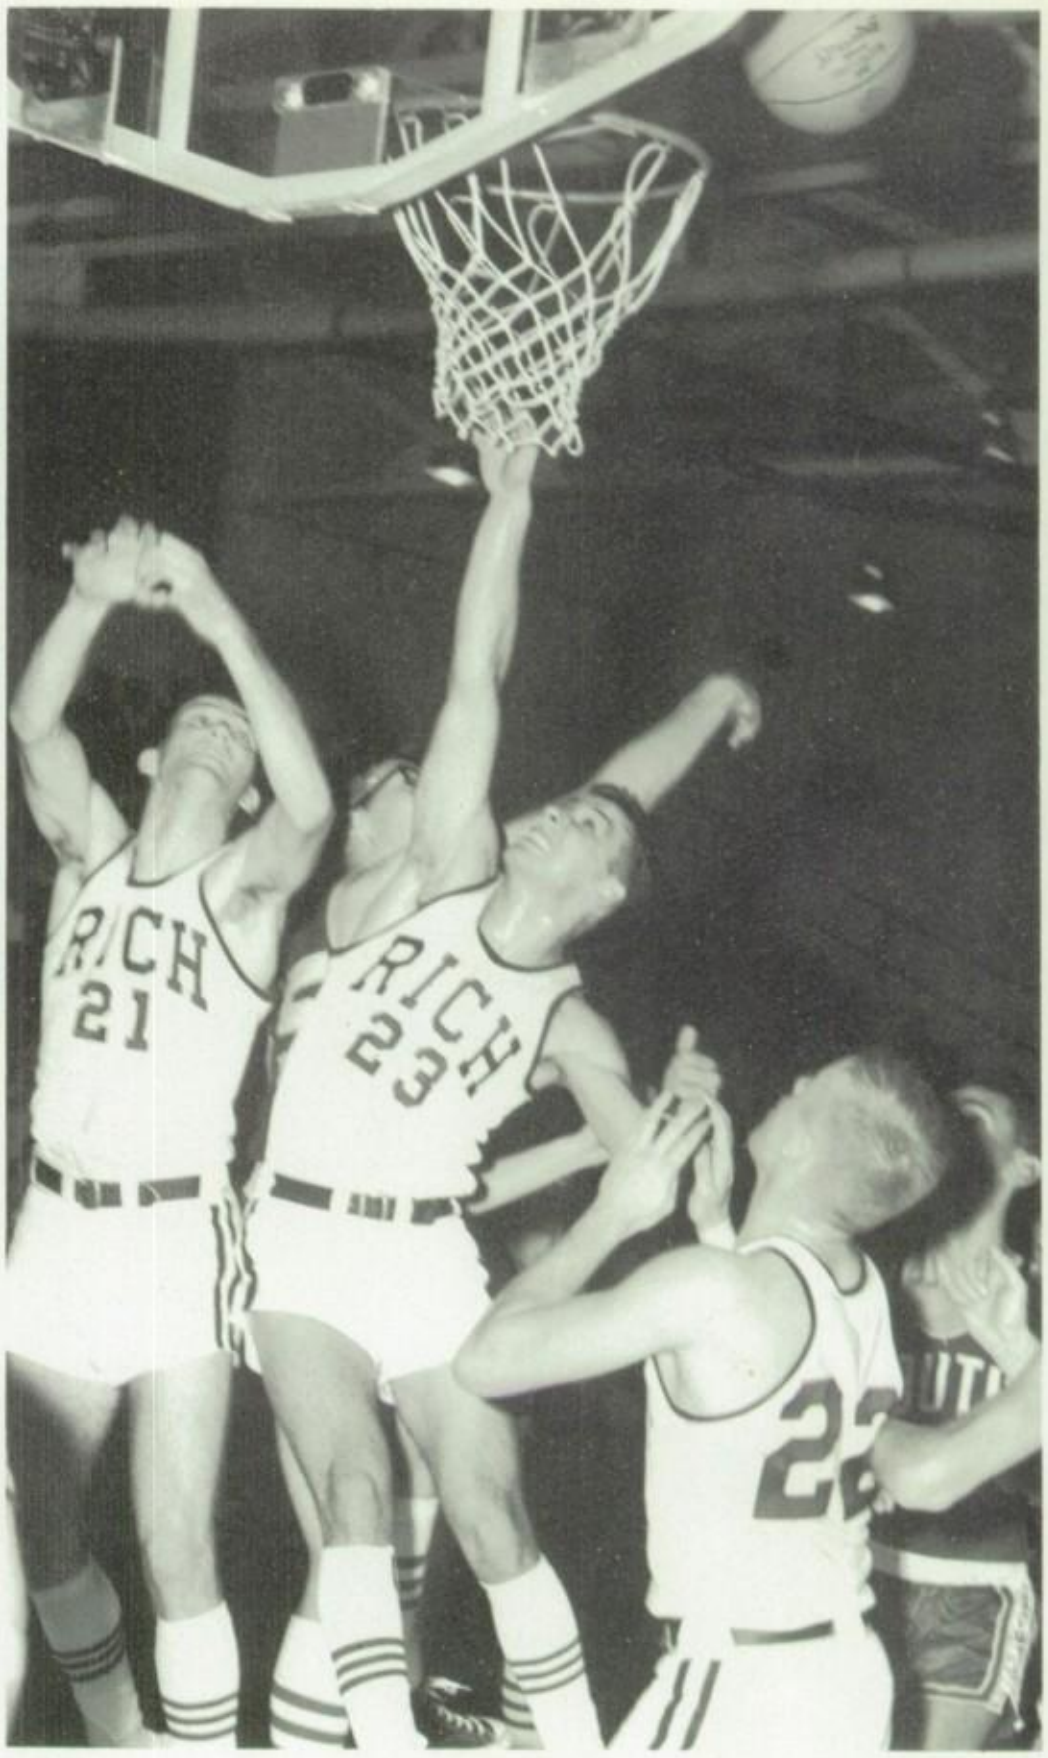
Hustle!







Despite a poor year for the Rockets, there were a few bright signs for the coming year in the ranks of the cagers. Coming into the starting lineup this year were juniors, Bob Defoe, Jeff Jones, Mike Ebbesen and Kenny Lewis. The senior cagers were led by the surprising playing of Jim Stewardson and the on and off play of Jeff Holmes, Ken Peryam, Mike Mogg and Bill Boston.

Having been in existence since the school began, KEY CLUB has played an important part in the history of Rich East. The designing of the school emblem, and the founding of radio station WRHS, can be attributed to the work of past members. To date, it is a hard-working service club. The boys raise money for the Cancer Fund and numerous scholarship funds. American flags were bought for each classroom. One of their first projects of the year was the building of the Homecoming Bonfire. KEY CLUB has members who are dedicated to Rich East and to the community.

Last year's varsity debate foursome, consisting of Lance Lindblom, Dan Hier, Andy Hier, and Harold Stemmler, won for Rich East the honor of being the first place high school debate team in Illinois. Although Mr. Runyon, who was chosen for two consecutive years as the state's top debate coach, has left, Mr. Anderson surely has continued the tradition of past seasons.

Roman History Seminar

Roman History Seminar is a newly organized, honor discussion circle. Mr. Peart and Mr. Dunn, the sponsors, have had a special interest in this field, and thought some students might also enjoy it. The people were chosen by their aptitude in history. Informal discussions were held once a week based on assigned reading materials.

Coach Berryman's varsity baseball team this past spring season scored 13 wins and 7 losses. Defeating district and regional opponents, they finished by tieing for conference champions. Dick Bauch was elected to the all-conference team and had the highest batting average of .397. Bob Bladek, a top pitcher, had a 6-2 record.

Bladek Plays With White Sox

Bob Bladek led the varsity pitching staff to a fine season last year. He led his mound mates in strikeouts, earned run average, games saved and games won. Beside being a fine pitcher, Bob was also known for his excellent hitting.

Early in the summer, the Chicago White Sox professional baseball team gave Bob a contract and sent him to their Florida League farm club in Sarasota. Bob is now attending Thornton Junior College and will have tuition and fees paid by the White Sox.

The Sophomore baseball team had a lot of fine talent driving it on this past spring of '65. At the end of the season, the record stood at 8 wins and 8 losses – a 500 season according to Coach Holdsberg. Terry Kerestes, only a freshman, won five games for the team with his outstanding pitching. The leading batter of the team was Jim Post, with a .400 average. Bob Defoe at first base and Paul Kent at third came through with some great defensive work. Rich East can congratulate these boys for a job well done.

Queen Cindy Tassio, and her escort Phil Ward.

The Prom court and their escorts included juniors: Becky Carver, and Chuck DuBoyne, Mary Clayton and Bob Cooper, Queen Cindy Tassio and Phil Ward, Linda Groth and Jeff Holmes, and Sue Pridmore and Pat Sullivan.

Do blonds really have more fun?

After many months of careful planning and hard work, the Class of 1966 proudly presented "Wonderful By Night." Just as Lewis Carroll had Alice do many years ago, couples "fell" through a rabbit hole into the transformed gym. There they found, among other things, a garden of flowers, the Mad Hatter at a tea party, and a Cheshire Cat.

During the evening, Cindy Tassio was crowned "Queen of Hearts" by Lance Lindbloom, president of the Junior Class. Her court included Becky Carver, Mary Clayton, Linda Groth, and Sue Pridmore.

After the dance was over, students changed from formal Prom attire to more casual clothes. Following an all-night train ride, couples enjoyed a day of recreation on the campus of Southern Illinois University. They returned to Rich Saturday evening, tired but very happy.
